

IC 20-12-30.5

Chapter 30.5. Indiana Statewide Medical Education System

IC 20-12-30.5-1

Establishment of system

Sec. 1. There is hereby established the Indiana Statewide Medical Education System.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-2

Centers included in system

Sec. 2. The Indiana Statewide Medical Education System shall include, but not be limited to, centers for comprehensive medical education established in cooperation with existing medical and educational institutions in Gary, Fort Wayne, Lafayette, Evansville, South Bend, Terre Haute, and Muncie, Indiana. These centers shall be known separately and respectively as Northwest Center for Medical Education at Gary, Fort Wayne Center for Medical Education, Lafayette Center for Medical Education at Purdue University, Evansville Center for Medical Education, South Bend Center for Medical Education, Terre Haute Center for Medical Education at Indiana State University, Muncie Center for Medical Education at Ball State University.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-3

Director and advisory council; appointment

Sec. 3. A director shall be jointly appointed for each center in the system by the office of Dean of the Indiana University School of Medicine and the local cooperating institution or institutions and hold a joint appointment with the local cooperating institutions. An advisory council shall also be appointed by each local center to provide as effectively as possible for a high degree of support and advice from the lay and professional communities.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-4

Budgets for center; expansion of medical education program

Sec. 4. The administration of the Indiana University School of Medicine shall be responsible for planning and implementing the orderly development and expansion of a medical education program in each center in cooperation with the director and staff of the cooperating institutions. Budgets for each center shall be proposed by the centers for review and approval by the Dean of the Indiana University School of Medicine, whose office shall be charged with the responsibility for fiscal administration.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-5

Joint faculty appointments

Sec. 5. Joint faculty appointments shall be made by the Indiana University School of Medicine and the participating institutions of higher education.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-6

Admission of students and development of curriculum

Sec. 6. The Indiana University School of Medicine shall be responsible for selection, admission, and assignment of students, curricular development and evaluation, and accreditation.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-7

Admission of students in 1971

Sec. 7. Medical students shall be admitted in 1971 to those centers which, in the judgment of the Indiana University School of Medicine, have developed appropriate faculty, facilities, and curricula consistent with the accreditation standards of the joint commission on accreditation of the American Medical Association and the Association of Medical Colleges.

(Formerly: Acts 1971, P.L.337, SEC.1.)

IC 20-12-30.5-8

Systematic evaluation of statewide medical educational system

Sec. 8. In order to insure continuing educational excellence, the Indiana University School of Medicine shall provide for periodic, systematic evaluation of the Indiana Statewide Medical Education System in cooperation with the Governor's Commission on Medical Education or its successor body.

(Formerly: Acts 1971, P.L.337, SEC.1.)
